PGDM and PGDM (IB) Batch Profile 2011-13

PLACEMENT CALENDAR-2013

The class of 2011-13 is a batch of high proficiency students with an average CAT score of 90 percentile and the highest being 98 percentile. At FORE we emphasize on imparting quality education to make them suitable for the corporate world. We strongly believe that in order to turn our students into a great asset for the corporate, they must go through the best of academic rigor in their curricular and co-curricular activities during the two years tenure of their PGDM program. This would enable them to think laterally and creatively across disciplines and sectors. We have planned the final placement calendar in coordination with the academic calendar so that their classes are not disturbed. We seek your cooperation and request you to schedule your visit to FORE during the placement weeks mentioned in the placement schedule below and help us in managing our regular class schedule.
