

**Re: Procurement of IBM/HP/DELL Server and HP printers etc.**

Dear Sir,

FORE School of Management (FSM) has been established by the Foundation for Organisational Research & Education, a non-profit organisation, with a mission to *achieve and sustain Leadership in Management Education, Research, Consultancy and Development*. FSM is one of the premier Business Schools in India.

The computer centre at FSM is equipped with state-of-the-art branded computer systems interconnected through structured Ethernet based LAN and WiFi across the institute.

We intend to procure all the items as listed in the annexure. This includes one branded Server as per specifications given in the annexure. Applications like Microsoft Dynamics CRM, SAS will run on this application server. The server will cater to the entire LAN/WLAN.

While reliability of the systems is a prime factor for selection, excellent service is equally important.

Therefore, if you are interested in supplying the items listed in the annexure and provide support, you may please send your offer with detailed configuration / specification in a closed & sealed envelope mentioning **“Quotation for Computer hardware – 2012”** on the cover, by courier or drop it in the box kept with the security guard of FORE School of Management on the following terms and conditions latest by 4: 00 p.m. on or before 31st July 2012.

Please mention the warranty period of each item exclusively.

For any further clarification please feel free to contact Manager (Systems) at [sunit@fsm.ac.in](mailto:sunit@fsm.ac.in).

## **Terms and Conditions**
