PLACEMENTS 2022-24

OVERVIEW

The final placement process for the batch 2022-24 at FORE School of Management has been successfully concluded. A total of 132 corporate partners have associated with the institution, reaffirming their faith in it. The batch comprises 374 students across the PGDM, PGDM IB, PGDM FM, and PGDM BDA courses.

This year's final placements were completed faster and of better quality, resulting in significantly higher average CTC, median CTC, and multiple offers. There has also been an improvement in the diversity of recruiters and the profiles offered.

In terms of industry sectors, BFSI made 27% and IT/ITES made 23% of the total offers. FMCG, FMCD, Automobile & Manufacturing companies accounted for 23% of the offers, while MR & Consulting made 13% of the total batch offers where in 14% of the offers were from other sectors including Retail, E-Commerce, Logistics, Media, Telecom, Hospitality, Pharma, Fintech, Real Estate and Energy.

We, the Corporate Relations Team, would like to express our heartfelt thanks to our esteemed corporate partners and alumni for their continuous support and assistance.
