

FORE School of Management, New Delhi
FORE Nexus
AY 2024-25

FORE Nexus organized five activities and events in the **AY 2024-25**.

The activities are as cited below:

1. Know Your Peers (KYP) & Know your seniors (KYS)

KYP entails an engaging activity wherein newcomers have the opportunity to interact with their peers and create enjoyable videos depicting their college experiences. These videos are subsequently uploaded onto the Nexus YouTube channel, and the one garnering the highest number of likes is awarded the Best Section accolade. Conversely, KYS involves juniors receiving clues to locate their mentors, thereby facilitating interaction with senior students and serving as a robust networking tool.

2. Freshers

A freshers' party arranged to extend a hearty welcome to the recently admitted class. The purpose of this gathering is to help the junior batch feel included and at ease in their new surroundings. Additionally, it offers the juniors an opportunity to show off their abilities and create an impression. Poetry, singing, and dance are among the performances. After winning different rounds, students who make a lasting impression are awarded the distinguished titles of Mr. and Miss Fresher each year. Many interesting game rounds are held to award other distinguished titles to the winners.

3. Genesis

Genesis, being the annual **corporate-cultural fest** of FORE School of Management, witnessed new heights this year. The two day fiesta mesmerized the audience with a show that was full of energy and zeal. The ultimate aim was to showcase an event that would attract the best talent from top B schools and provide them with a platform that would extract the best from them. This year, Nexus was proud to host the 2nd edition of its independent event, Eleganza—a fashion show that welcomed participation from numerous business schools and other universities, showcasing exceptional talent and adding vibrancy to the event. This marked a significant milestone as it was a resounding success. An event so large was not easy to prepare. The team went through a series of meetings, mappings, discussions and a range of ideas to finalize the outlook of the grand event. This year, the theme was **“Alchemy of Realms”**.

Judges for Elegeza

Nikhil Khari - Actor, Delhi Times Model

Himali Heer - Miss Gurugram 2018

4. Scribble Day

Scribble Day is a fun and nostalgic event organized by Team Nexus, where students come together to celebrate their journey and friendships before stepping into the next phase of their lives. Participants wear t-shirts, which become canvases for messages, doodles, and heartfelt notes from their peers. The event fosters a spirit of camaraderie, allowing everyone to cherish shared memories and create lasting mementos of their time at FORE School of Management.

5. Farewell

A farewell function is held to wish our seniors the very best for their future endeavors and to say goodbye. It featured a variety of musical and dance performances. Each year, the titles of Mr. and Ms. FORE are also awarded based on the talent round, and other titles are awarded depending on vote totals gathered through social media handles of team Nexus.
